

### **Child Development Center**

Welcome New Families,

We are so blessed that you have chosen to partner with Christ Fellowship Church Child Development Center (CFCCDC) for the nurture and care of your children. We will do whatever we can to make this transition as smooth as possible for each one of you. We value the relationships we have with all members of your family.

As parents, child care is a transition for you and your child. If there is any way we can be of service during this time, please let us know. Feel free to call us throughout the day to check on your child. There are telephones in all of the classrooms so that you can speak directly to your child's Early Childhood Teacher.

I am also available via phone or email throughout the day. My door is always open to receive comments, compliments, or concerns. I also enjoy problem-solving and I am happy to help with any parenting struggles you may be having as your child is ever growing and changing.

Thank you for allowing us to serve you. May God bless your young family!

Sincerely,

Lisa Baker
